

Holy Trinity Lutheran Church

Pentecost Point System

Confirmation Attendance

To successfully complete this confirmation year, students should plan to accumulate 50 points. These points should include:

- 35 points from the education opportunities
- 10 points from worship opportunities
- 5 points from service opportunities

Below you will find a breakdown of how points are gained and distributed. A record of points will be kept on a chart in the middle school education area of the Fellowship Hall. This system is not intended to be legalistic or a burden to anyone. It is simply in place to give you an idea of the minimum commitment that a student should make in order to make participation meaningful.
