If your child needs you during Sunday School, where might we find you or how may we contact you? \_\_\_\_\_

Please list each child you are registering in grades preschool - 12 below. Because Sunday School is a learning environment, it is important to know about your child's learning style, including any reading, writing or attention challenges. In addition, please state any special physical or dietary needs, including food allergies. Knowing this information makes it easier to provide a safe, supportive experience for all.
